KILLS GERMS OF CATARRH.

Hyomei Goes to the Root of the Disease and Makes Astonishing Cures.

Catarrh cannot be cured by the use of pills, liquid medicines and so-called system tonics. Under such treatment the germs of the disease still live in the air passages and increase and multiply.

Hyomei is the only scientific and thorough way to cure catarrh. Killing the germs in the air passages, it enters the blood with the oxygen, destroys the microbes in the blood and effectually drives from the system all catarrhal poison.

Probably the strongest evidence that can be offered as to the powers of Hyomei to cure catarrh is the fact that Clarke & Co. will agree to refund the money if you say Hyomei has not cured you.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents.

Burned To A Crisp.

At Lexington, Claude Neal, aged 6 years, after binding up his toe with a rag saturated with turpentine, made an effort to get a pair of scissors to cut the string, and, being unsuccessful in finding the scissors, he set fire to the end of the string and before his mother could reach him his entire foot and leg had been burned to a crisp. Physicians dressed the injured member, but amputation will likely be resorted to save his life. He is the son of H. L. Neal, of North Broadway.

Writ Of Error Granted.

At Frankfort, Saturday, Attorneys James Andrew Scott and W. M. Smith for James Howard, under life sentence for the murder of Wm. Goebel, applied for a writ of error to the Supreme Court in the Howard case before Chief Justice Burnam.

Attorney Hays and Judge B. G. Williams for the Commonwealth were present during the argument and presentation of the writ and entered a formal objection to each of the grounds alleged. One of the chief grounds relied on was the code provision that the defendant had a right to be present at each step taken in the case.

The writ is applied for on no other constitutional grounds, which have been brought out in the previous trials. Chief Justice Burnam granted the writ.
